CAUTION:
PRINCE PREMIUM nitrile glove is a nitrile powder free examination glove which is made from acrylonitrile butadiene rubber. These Nitrile Examination Gloves are extremely versatile in a wide range of applications i.e. Medical, Food Handling & General Purposes.

STORAGE RECOMMENDATIONS:
After use wearers should visually check the glove and remove any contamination from the outer surface before removing the glove from the hand. Alternatively carefully peel the glove off the hand so that the contaminated glove outer does not touch your skin.

Store in a dry, ventilated area.
Avoid direct sunlight, fluorescent lighting, heat and moisture.
Do not store above 104°F or 40°C.
